SUMMARY

I'm passionate about web development, proficient in HTML, CSS, Tailwind CSS, and JavaScript, and love building impactful projects. I'm eager to keep learning and contribute my skills and enthusiasm to exciting web development opportunities.

EXPERIENCE

As a recent entrant to the web development field, I'm eager to kick-start my career with a hands-on internship opportunity. I'm looking to apply my skills in HTML, CSS,Tailwind CSS and JavaScript, learn from industry experts, and gain practical experience in web development. I'm excited to collaborate with a team, take on new challenges, and grow as a developer
